

# We're Getting Closer

1980

65,000 babies aborted in PA

2013

32,000 babies aborted in PA

20??

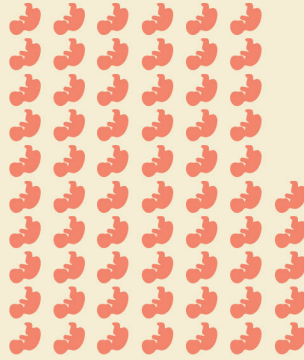

0 babies aborted in PA

Abortion clinics are closing. Pregnancy care centers are growing.  
Ultrasound technology is advancing. Help us continue our progress of making  
Pennsylvania a place where all life is protected - from conception to natural death.
