

Pass the **Down Syndrome Protection Act** (House Bill 2050 & Senate Bill 1050) and protect children given a prenatal diagnosis of Down syndrome.

# Disability rights start at diagnosis.

Now more than ever, babies born with Down syndrome have the opportunity to live long, happy, and productive lives. The accomplishments and successes of children and adults with Down syndrome right here in Pennsylvania send a clear message that they should be valued and protected. [#ALifeWorthLiving](#)
