• Decline to answer (describe reason)

As a sitting Court of Common Pleas Judge, I have always taken my judicial ethics very seriously. I am steadfast in following the Code of Judicial Conduct and being impartial in all matters. To that end, the Code of Judicial Conduct prohibits me from answering questions such as that posed that may cause anyone appearing before me to believe that I am anything but fair and impartial. I understand that so many decisions I make as a judge impact the lives of children and that of their family. I uphold the laws of Pennsylvania, respect the United States and Pennsylvania Constitutions and apply the law as it is written. I listen respectfully to all with an open mind. I am involved with the administration of justice and am committed to bettering our legal system in any way that will strengthen families and ensure safe, happy children. I am endorsed by the Pro-Life Federation.
