

There's no 'off-year' election: Honor God with your vote.

God cares about children, schools, parents, and righteousness, and so should we. In Proverbs 29:2 God declares, "When the righteous are in authority, the people rejoice: but when the wicked beareth rule, the people mourn." (KJV).

Some consider 2023 to be an "off-year" municipal election, with no governor or presidential race at the top of the ballot. Historically, just **one in four** registered Pennsylvania voters will vote in a primary municipal election - and that's a "good" turnout.

Every election matters. This year's municipal primary and general elections will impact your family, your school district, and your community.
