

SANCTITY OF HUMAN LIFE SUNDAY

Praising God for 2024 Victories in PA

This Sanctity of Human Life Sunday, we reflect on God's faithfulness in protecting & valuing life throughout 2024. Here are just a few of the remarkable victories worth celebrating:

Uniting Pregnancy Resource Centers:

The Pennsylvania Pregnancy Wellness Collaborative (PPWC) launched this year. By coordinating efforts, these centers now provide even greater support for expectant mothers and families, ensuring women receive the care they need.

Protecting Life in Warminster:

In May, the Warminster Planned Parenthood abortion facility closed its doors after years of health violations, including failure to report a botched abortion. We celebrate the lives saved, as the facility had previously performed over 800 abortions annually.

A Record-Breaking PA March for Life:

Despite rainy weather, the 4th Annual PA March for Life gathered thousands in Harrisburg last September, making it one of the largest pro-life events in state history.

The fight to protect life continues, and we can all make a difference by embracing God's truth.

“Did not he who made me in the womb make them? Did not the same one form us both within our mothers?” Job 31:15
