

We want to see you at our upcoming Pro-Life Pastors Luncheon!

We mentioned the event a couple of weeks ago. This is our third year of hosting this gathering as part of the PA March for Life, and you won't want to miss it.

The PA March for Life is by far the largest event in Harrisburg each year. It is also the largest state march in the country.

The common bond of life, this basic yet amazing gift that God gives to us, is something worth celebrating!. Physical life gives us entry on this planet. But spiritual life comes from Jesus. He said that *He came that we may have life and have it abundantly*. This is the Good News that compels us to public action.

I love the camaraderie of the March for Life. On this day in Harrisburg, there is a unified purpose and vision. Yet, as we move into the days after, I can be asking, "What's next? How do we maintain the impact?"

This was in mind when we were planning this year's Pro-Life Pastors' Luncheon. This gathering provides an opportunity to connect with pastors from across the Commonwealth, pray with and for several of Pennsylvania's pro-life legislators, and gain insight into the important work of advancing a culture of life in your communities. During lunch, you'll hear a panel discussion exploring how **strong marriages, healthy families, and thriving churches** help build communities where life is valued and protected. Together, we'll discuss practical ways your church can strengthen families, care for vulnerable children and mothers, and extend hope to those facing difficult circumstances.

The reality is that the more we can swim upstream to strengthen marriages, families, and children, the more life will flourish. Abortions will decrease, and individuals will be

strong contributors to community as families are strengthened around a relationship with Christ Jesus.

The Church is the culture changer in this world!

Whether your congregation has long been engaged in pro-life ministry, or you're looking for new ways to make a difference, we believe this gathering will encourage and equip you. You will leave inspired with fresh ideas, meaningful relationships, and renewed vision for expanding your congregation's impact in your community.

You're invited to join us for this special day as we stand together for life, pray for our Commonwealth, and encourage one another to faithfully serve our communities.
