

You are uniquely situated to make a huge difference. As a pastor, you can make a difference for truth and help your congregation to do the same.

Today, we're giving you an update about everything going on here at the PA Church Ambassador Network and how you can be involved. From attending our generosity webinar to asking your congregation to take action to protect religious liberty and privacy rights, you can help make a difference for Christ and a difference for truth.

Will you join us? See below for how you can be involved in the fight for Biblical truth!

The title "Growing Gospel-Motivated Generosity in Your Church" is centered in a large, bold, dark blue font. Below it, a subtitle in a smaller, italicized font reads "A webinar for pastors on creative ways to encourage Christians to be Gospel-motivated, generous believers". At the bottom, the date and time "Thursday, August 27, 12-1 pm" are listed next to the URL "pafamily.org/generositywebinar" separated by a vertical line.

We want you to take action for parental rights and religious liberty! Please submit a comment against the Shapiro administration's proposed draconian health regulations and help protect the privacy and parental rights of Pennsylvania families. Ask your congregation to do the same! **Comments must be submitted by September 21 at 5 pm.** Your voice and the voices of those you shepherd can help protect families from government overreach. Visit pafamily.org/regulations to take action today.

Bring your congregation to the PA March for Life! Former U.S. Senator Rick Santorum is our keynote speaker. Will you bring a group from your church? We have buses coming from across the state if transportation is needed. Join us in being a voice for the voiceless along with thousands of passionate, zealous pro-life people from across Pennsylvania. Join us for our Christian Worldview Workshop! Held in a single full day, this training "bootcamp" is designed to help you better communicate a biblical worldview with greater clarity and boldness.
