

Dear [[INITIATIVE.AUDIENCE MEMBER.FIRST NAME]],

Time is running out! You have two days to order voter guides and just one week until Election Day!

Just the other day, someone called our offices with a simple message: **“Thank you for your voter guide. I would have had no idea who to vote for without it.”**

That’s why we do this. We want to equip you to cast your vote well on November 3rd. **But you only have until this Wednesday to get your printed voter guides!**

With so many candidates, so many races, and so much at stake for Pennsylvania families, you may find it difficult to know where candidates stand on the issues that matter most. We know that you want to make informed decisions, but finding reliable information takes time.

Pennsylvania Family Council's voter guide changes that.

It puts important candidate information at your fingertips, helping you make wise decisions grounded in truth.

We also want you to order guides in bulk to distribute to your church, community, small group, or neighborhood. By doing so, you'll help others in your lives cast informed ballots on November 3rd, too!

But time is running out.

Wednesday is the deadline to order your printed voter guides! If you’ve been meaning to get yours, now is the time. Don’t miss the chance to put these valuable resources in voters' hands before Election Day.

One voter told us how much this guide helped. Imagine how many more people could benefit if we got these guides into more hands.

Thank you for standing with Pennsylvania Family Council to help Pennsylvanians make informed decisions and protect the values that strengthen our families and communities.

For the family,

Michael Geer
President & CEO
Pennsylvania Family Council

P.S. You can get your personalized voter guide online, too, at pafamilyvoter.com! Our online guide is mobile-accessible and available 24/7 through the end of Election Day!
